The Town Council may reduce or modify the scope of the project and the entire appropriation may be spent on the project as so reduced or modified. The appropriation may be spent for design, construction, acquisition and installation costs, equipment, materials, site improvements, engineering fees, management costs, inspection costs, printing costs, legal fees, net interest on borrowings and other financing costs, and other expenses related to the project or its financing.

Section 2. That the Town issue bonds or notes or obligations in an amount not to exceed TWO MILLION SEVEN HUNDRED THOUSAND DOLLARS (\$2,700,000) to finance the appropriation for the project. The amount of bonds or notes or obligations authorized to be issued shall be reduced by the amount of grants received by the Town for the project. The bonds or notes or obligations shall be issued pursuant to Section 7-259 or Sections 22a-475 to 22a-483 of the General Statutes of Connecticut, Revision of 1958, as amended, and any other enabling acts. The bonds or notes or obligations shall be secured by the irrevocable pledge of the full faith and credit of the Town of Groton. The Town does hereby covenant and agree with the holders of the bonds or notes or obligations and all notes and interim funding obligations issued in anticipation of the receipt of the proceeds from the sale of such bonds or notes or obligations that in each year while any such bonds or notes or obligations are outstanding, it will levy and collect ad valorem taxes upon all taxable properties within the Town, other than properties within the City of Groton, in an amount sufficient, with such other funds of the Town as shall be available for such purpose, to pay the interest and principal on the bonds or notes or obligations as the same become due and payable.

Section 3. That the Town issue and renew temporary notes or interim funding obligations from time to time in anticipation of the receipt of the proceeds from the sale of the bonds or notes or obligations and the receipt of grants for the project. The amount of the notes or obligations outstanding at any time shall not exceed TWO MILLION SEVEN HUNDRED THOUSAND DOLLARS (\$2,700,000). Section 5. That the Town hereby declares its official intent under Federal Income Tax Regulation Section 1.150-2 that project costs may be paid from temporary advances of available funds and that (except to the extent reimbursed from grant moneys) the Town reasonably expects to reimburse any such advances from the proceeds of borrowings in an aggregate principal amount not in excess of the amount of borrowing authorized above for the project. The Town Manager and the Director of Finance are authorized to amend such declaration of official intent as they deem necessary or advisable and to bind the Town pursuant to such representations and covenants as they deem necessary or advisable in order to maintain the continued exemption from federal income taxation of interest on the bonds or notes or obligations authorized by this resolution if issued on a tax-exempt basis, including covenants to pay rebates of investment earnings to the United States in future years.

Section 6. That the Town Manager and the Director of Finance are authorized to make representations and enter into written agreements for the benefit of holders of the bonds or notes or obligations to provide secondary market disclosure information, which agreements may include such terms as they deem advisable or appropriate in order to comply with applicable laws or rules pertaining to the sale or purchase of such bonds or notes or obligations.

Section 7. That the Town Manager, on behalf of the Town, is authorized to apply for and accept state grants to finance the project and state loans to finance the project, and to enter into any grant or loan agreement prescribed by the State. The Town Manager, the Director of Finance and the Water Pollution Control Authority are authorized to take any other actions necessary to obtain such grants or loans pursuant to Section 22a-479 of the Connecticut General Statutes, Revision of 1958, as amended, or to any other present or future legislation, or to implement such grant or loan agreements.

Section 8. That the Water Pollution Control Authority is authorized to construct the sewer project; to approve design and construction expenditures and any easement acquisition costs incurred for the sewer project; and to contract with engineers, contractors and others on behalf of the Town for said sewer project. Section 9. That the Town Manager, the Director of Finance, the Water Pollution Control Authority and other proper officers of the Town are authorized to take all other action which is necessary or desirable to complete the project and to issue bonds or notes or obligations to finance the aforesaid appropriation.

Section 10. This ordinance shall become effective only if it has been adopted by vote of not less than five (5) members of the Town Council and by the Representative Town Meeting, and only if the appropriation set forth in Section 1 and the issuance of bonds and notes and obligations to finance said appropriation have been approved by the voters at referendum in accordance with Sections 5.5.5.1 and 9.13 of the Town Charter, and notice of passage has been published in accordance with the provisions of the Town Charter.
